

TROOP 1128 PROGRAM CALENDAR 2020-2021

COVID-19 Note: In the midst of a pandemic, this calendar must be viewed as aspirational. To the extent the troop can under reasonably safe conditions and consistent with the troop’s reopening plans, we will try to do some version of the things indicated on the dates indicated. However, troop meetings are likely to be conducted virtually for the foreseeable future, and all activities and dates are subject to change.
